Re: DC ADM 802-Final Review
Appeal of STGMU Placement

Dear Mr. Bell:

Your request for appeal to final review of your transfer to the Security Threat Group Management Unit (STGMU) is hereby acknowledged.

In accordance with the provisions of the STGMU policy and DC-ADM 802, I have reviewed all documents related to your recommendation for STGMU Placement. The recommendation for your transfer to the STGMU is in complete accordance with the referral process for STGMU placement and DC-ADM 802. The reasons for STGMU placement were explained to you by the staff at the institution level. At final review this office must agree with their responses.

This office fully agrees with the responses already provided at the institution level. Accordingly, your appeal to final review must be denied.
